

Erasmus Generation Meeting Portugal 2022

registrations open

The international conference **Erasmus Generation Meeting (EGM)** will bring together higher education students from all over Europe in Porto, Portugal, to discuss the future of mobility and the new Erasmus+ programme 2021-2027. Over the course of a few days, from 7th to 10th of April 2022, the Erasmus Generation will have an opportunity to learn more about the new programme, mobility in general, meet their peers, and bring to the table issues they want to discuss. Registrations for the event are open from the 9th of November 2021 until 9th of January 2022, after which spots will be distributed.

Participants will also have an opportunity to partake in the **Career Fair** where they will be able to meet companies and businesses eager to support young professionals and expand their teams, as well as gain valuable insights about their first potential jobs. The event will also have a **Mobility Fair** where the focus will be on promoting mobility and different educational institutions from all over the continent.

The event is organised by volunteers of **Erasmus Student Network Portugal** who are enthusiastically waiting for the Erasmus Generation to reunite for the first time after the beginning of the pandemic in the second largest city in the country, Porto.

For more information about the event, contact the Chairing Team at egm-media@esn.org or Erasmus Student Network AISBL Communication Manager Nikolina Đurić at communication@esn.org.
